ABOUT US

- Prathyusha Engineering College, is a premier institution renowned for its commitment to academic excellence, discipline, and holistic student development.
- With state-of-the-art infrastructure and a focus on innovation, the college provides a dynamic environment that nurtures technical expertise and professional ethics, preparing students to become industry leaders.
- The Department of Cyber Security stands at the forefront of the digital defense revolution. Dedicated to producing the next generation of security experts, the department fosters technical growth through rigorous research, hands-on training, and exposure to real-world cyber challenges.
- By emphasizing practical learning in network defense, cryptography, and digital forensics, we equip students with the skills to secure the digital future.
- Driving this mission forward, the Department of Cyber Security proudly presents XploitX 2026, a national-level hackathon.
- This event serves as a battleground for aspiring cyber warriors to showcase their skills in malware analysis, OSINT, and ethical hacking, fostering a community of innovation and resilience.

- XploitX '26 is an exhilarating 24-hour national-level hackathon that brings together the brightest minds from colleges across the country. Scheduled to take place on March 13-14 in Prathyusha Engineering College, Tiruvallur. XploitX offers an immersive experience of innovation, problem-solving, and collaboration.
- Participants will harness cutting-edge tools and brainstorm solutions to real-world security challenges, demonstrating their creativity and technical powers in a high-stakes environment.

WHAT'S IN THE STORE FOR YOU?

As a valued sponsor, here's how we bring unparalleled opportunities to elevate your brand and foster meaningful connections with talented cyber security students:

- **Access to a Pool of Cyber Talent:** Direct engagement with a diverse group of students skilled in malware analysis, OSINT, and ethical hacking through our hackathon and networking events.
- **Social Media Shoutouts:** Amplify your brand's reach with tailored mentions across the Department of Cyber Security's active social media channels, tapping into a dynamic and engaged audience.
- **Brand Visibility on Certificates:** Your logo prominently featured on participant and winner certificates, creating lasting recognition of your support.
- **Branded Giveaways & Sponsored Content:** Distribute your branded goodies and showcase your security products or services through sponsored posts during the event.
- **Logo Display & Event Branding:** Prime visibility for your logo across our promotional materials, banners, and platforms throughout the college campus.
- **Showcase Your Innovations:** Display your company's latest security tools, ventures, and products through banners, presentations, and interactive sessions.
- **Present a Session:** Host an engaging technical session to highlight your tools, technologies, or products to an attentive audience of future security professionals.
- **Official Department Post:** Gain traction with a spotlight on the college's official social media accounts, showcasing your involvement.
- **Live Workshops:** Conduct a live workshop on your domain of interest, demonstrating practical skills to eager students.
- **Event Partnership Recognition:** Be recognized as a premier event partner across all our promotional and branding efforts.
